PUBLIC SAFETY

MOTION

Numerous incidents have been reported relative to bicycle and vehicle collisions and aggressive motorists attitudes to law-abiding people riding bicycles. Complaints have also been raised regarding the treatment of bicyclists by the Los Angeles Police Department. It is critical that the City respond to these situations and respond appropriately.

I THEREFORE MOVE that the City Council direct the Los Angeles Police Department to report on recent bicycle incidents and conflicts between bicyclists and motorists, as well as efforts to increase police officer training related to bicycling activities and applicable regulations and laws.
